Current Requirements:

For the health and safety of our boarding friends, ALL boarders must be current medical clients of Liberty Veterinary Hospital (including physical exam by our vets), up to date on all vaccines (performed by a veterinarian), & free of parasites. We must keep our facility flea/tick and parasite free for the health of all patients. Therefore, ALL pets are required to be on a vet approved flea, tick (cats and dogs) and heartworm (dogs) preventative prior to admission. If they are not, we will administer flea, tick and heartworm medication which will be added to your invoice. Please let us know product names and most recent application dates as well as any known allergies at check in.

Cat Testing / Vaccination Requirements:

Rabies, bordetella, & HCP vaccines & negative fecal test (all within last 12 months).

Cats with any exposure to the outdoors must be vaccinated for FELV/FIV, or an annual negative test is required.

Dog Testing / Vaccination Requirements:

Rabies, DAPP/DAP, bivalent flu, & 4-strain lepto vaccines, & negative fecal test (within prior 12 months). Bordetella vaccine (every 6 months). Heartworm tests are required annually for adult dogs. Puppy HWT necessity varies based on age & prevention.

Emergencies:

In the event that emergency or general illness occurs requiring treatment and I cannot be reached, I authorize the staff to perform medical and/or surgical treatments as necessary to preserve the health of my pet until I can be contacted.

I authorize the amount for such treatment up to \$_____ (**\$100 minimum if not listed**).

I further understand that should my pet(s) soil him/herself during their boarding stay, an unscheduled kennel bath will be given for the health and cleanliness of my pet(s). I understand that I am financially responsible for this service.

Other Boarding Requirements:

Please **do not** bring leashes, collars, bowls, bedding or blankets (treats & toys are always welcome).

** Please note: If you choose to leave personal property during boarding, Liberty Veterinary Hospital is not responsible for lost or damaged items.

All medications **must** be in their **ORIGINAL CONTAINERS** with **legible** instructions.

(Medication not in its original, legible container will not be accepted, & will be refilled for kennel use at owner's expense)

An active credit card is required to be kept on file for all boarding clients.

I authorize Liberty Veterinary Hospital, the staff doctors and hospital support personnel, to perform the boarding, grooming, and medical services as described on the boarding admission form. This agreement will be in affect from today forward, until further notice.

I will not hold the doctors or staff of Liberty Veterinary Hospital responsible for any items left with my pet and understand that the hospital prefers to provide food bowls, towels, and bedding for ALL pets' safety and comfort.

For the safety of my pet(s), I understand that Liberty Veterinary Hospital will not release my pet(s) to anyone who is not authorized by myself. This can either be a person listed on my account permanently, or someone I designate temporarily on the Boarding Admission Form. We may not make changes for release after admission.

I understand that failing to cancel or change my boarding reservation with less than 48 hours notice may result in charges to my credit card for 50% of the entire boarding reservation.
